Hi Caryn,

Attached is an example invoice for only the removal and transportation costs to move a kiosk from one CVS to another CVS location. It does not reflect any storage costs and, therefore, is not representative of a realistic solution.

By the end of this week, CVS needs a firm commitment from Redbox and schedule to remove the kiosks from locations that have closed or are closing and being turned over to landlords this month, or we will have no choice but to move forward with filing suit.

Best,

Kirstin

Hi Caryn,

Thanks for getting back to us. However, we are going to need more specifics than that. Is your client willing to provide a firm commitment that it will remove the kiosks from CVS's closing stores by a date certain and from the remaining stores within a certain time frame? Thanks.

Hi Kristin,

The meeting was changed to later today. Were you able to find out how much it cost CVS when it moved one of the kiosks to another CVS location? Thank you.

Regards,
Caryn

Subject: CVS-Redbox dispute

Good morning Mr. Occhicone,

I represent CVS Pharmacy, Inc. and received your contact information from Jim Snell. I appreciate your willingness to communicate with us.

As the attached letter details, now that the contract between CVS and Redbox has terminated, CVS needs Redbox to comply with the terms of the parties' agreement and remove the Redbox kiosks from CVS stores immediately. CVS is prepared to file in Court next week should we not be able to reach a satisfactory agreement regarding removal. Please let me know if Redbox is interested in discussing resolving this dispute. Thank you for your consideration.

Best,

Kirstin
